School of Electrical and Computer Engineering

Opportunity Research Scholars' Program

ORS 2024-25 Scholar Application Form

1. Applicant Name (Last Name, First Name):

2. GT Email:

3. Year and Semester of first enrollment at Georgia Tech:

4. Student Status when first enrolled at Georgia Tech:

5. Current Class Level:

6. Current Major: If Other, specify:

7. Expected Graduation Date:

8. Are you currently in, or do you plan to join GT Co-op program?

9. Are you currently in, or do you plan to join the International Plan?

10. Are you a Federal Work-Study student?

11. If accepted for ORS, what is your preference?

12. At this point in your college career, what is the highest degree you plan to pursue?

13. How did you find out about ORS? Select all the apply.

    Class

    Professor Name

    ORS Student Name

    Friend Name

14. Below is a list of ECE Technical Interest Groups (TIG). Rank your choices with 1 being your highest area of interest. If you have equal preference for two or more areas, you can give them the same rank.

15. While particular technical skill set is not needed to be accepted to ORS, list any technical expertise you may have, or that you would like to develop. Limit to 1000 characters.

16. ORS is a team-based research program that requires commitment that extends beyond your individual preferences. Provide an account of your experience in a team-based setting (if applicable), any challenges you encountered and how you overcame them. If this will be your first team experience, suggest how you could anticipate and successfully navigate potential challenges. In either case, highlight how you can be productive and significantly contribute to the progress of your team. Limit to 3000 characters.

17. List school-related activities and other commitments such as sports, student government, co-curricular/extra curricular activities, job, etc. that you expect to be doing in the coming academic year (fall 2024 and spring 2025). Limit to 1000 characters.

18. ORS includes more than conducting research. Students are required to attend workshops, follow instructions and communicate promptly and regularly as well as completing periodic assignments and deliverables. Share your assessment of your time-management, communication and organizational skills. What are your particular strengths and particular challenges in these areas? What tool do you use to manage your time, how effective has it been, and how will you prioritize your responsibilities to include these required events in your schedule? Limit to 3000 characters.

I acknowledge that I attended the in-person ORS info session on 02/27/2024. Further, I am aware that ORS requires a commitment for two consecutive semesters (fall 2024-spring 2025) for research. To the best of my knowledge, the information I have provided in this application is accurate.

TO SUBMIT APPLICATION: Email the completed application form along with your resume (PDF) to shanthi@ece.gatech.edu
